Dear Mr. Meyer:

~~Re: Stolen Coins~~

In my letter to you of April 10, 2000 I indicated I would discuss with you the matter of stolen coins when the current litigation was concluded.

All pending litigation on the coins stolen by Dr. Sheldon from the American Numismatic Society is now settled. Unfortunately in the ~~main~~ ~~main~~ main settlement the provisions of the settlement were made confidential subject to ~~any~~ ^{or proper} disclosure required under New York law by a not-for-profit New York corporation. All of the decisions in California are public records but some of the ~~settlement~~ evidence obtained by subpoena is restricted. ANS was unable to settle without the confidentiality provision as further litigation ~~and appeals were~~ anticipated.

You did so much work on the matter I will be glad to furnish you anything more I am permitted to. ~~I~~ I put 11 years of volunteer service into the matter and ~~the~~ ^a ~~few~~ stolen coins are ^{still} in the hands of possessors concealing their identity. At least ANS had an enormous ~~success~~ success.

~~Thank you for~~
